LD 1236 An Act To Amend the Maine Insurance Code To Ensure Fair and Reasonable Coverage and Reimbursement of Chiropractic Services

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ALFOND CAMPBELL R		

This bill requires that coverage and payment by health insurers and health maintenance organizations for services within the scope of practice of chiropractic doctors be at least equal to and consistent with coverage for services provided by allopathic or osteopathic doctors. It requires insurers to provide benefits covering and paying for care by chiropractic doctors at least equal to and consistent with the benefits paid to other health care providers treating similar conditions within the scope of practice of chiropractic doctors. Under the bill, these carriers may not classify services provided by chiropractic doctors as physical therapy or place these services into other categories that unreasonably limit coverage or payments for such services, or impose copayments, coinsurance requirements or deductibles that are more burdensome or limiting than those imposed with respect to services provided by allopathic or osteopathic doctors. The copayment for each service provided in the course of an office visit to a chiropractic doctor may not exceed \$5 or 10% of the covered payment for such services, whichever is greater. The total copayment for the combined services provided in the course of an office visit to a chiropractic doctor may not exceed \$30 or 10% of the combined covered payment for such services, whichever is greater.

This bill was carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).
