LD 1268 An Act To Update Driver Education Requirements

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PEOPLES	ONTP	

This bill does the following.

1. Current law provides that a person who is 15 years of age or older may apply for a driving instruction permit, except that a person who has not attained 18 years of age must complete a course in driver education before applying for an instruction permit. The bill clarifies that an instruction permit may be issued only by the Secretary of State and not by a driver education school or instructor.
2. Under current law, the permit requires the permittee to be accompanied by a licensed operator who is at least 20 years of age. The bill requires that the accompanying driver be at least 25 years of age.
3. The bill provides that a person under 21 years of age may not apply for a license unless the person has completed 70 hours of driving, including 10 hours of night driving, while accompanied by a parent, guardian or licensed driver at least 25 years of age.
4. The bill provides that an intermediate license holder may not operate a motor vehicle between the hours of 9 p.m. and 5 a.m.
5. The bill provides that classroom instruction provided by a driver education school licensed in this State may be taught interactively through the use of communications technology, including the Internet, so that persons taking the classroom portion of the driver education requirement need not be physically present in a classroom. The effective date for this change in law is July 1, 2014. The bill directs the Secretary of State, before July 1, 2014, to amend current rules governing the licensure of driver education schools to permit the use of communications technology for driver education instruction.
6. The bill requires a driver education school to provide a performance bond to guarantee its performance and discharge of duties.
7. The bill changes a violation of the prohibition against engaging in text messaging while driving from a traffic infraction to a Class E crime, formerly known as a misdemeanor.
8. The bill directs the Secretary of State to amend current rules governing driver education instructor licensing requirements before January 1, 2014 to clarify that a criminal background check must be conducted for a driver education instructor before a license is issued and not when a license is renewed and that the completion of a basic first aid course is required only for issuance of a license and not upon renewal.
