LD 1282 An Act To Help Small Farmers in Selling Raw Milk and Homemade Food Products

**VETO
SUSTAINED**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO KESCHL	OTP-AM ONTP	S-195 H-427 DILL

This bill exempts from state licensing and inspection requirements homestead food operations and raw milk producers who sell small quantities of certain food products or raw milk products made or produced at the person's residence or farm if the food products or raw milk products are sold directly from the person's home or farm or farm stand or at a farmers' market within the State.

Committee Amendment "A" (S-195)

This amendment is the majority report. It changes the title by removing a reference to homemade food products. It strikes from the bill the exemptions from licensing and inspection for homestead food operations. The amendment changes the wording of the signage and labeling requirements for milk producers selling raw milk or raw milk products without a license pursuant to the provisions of the bill. It requires milk producers selling raw milk or raw milk products that are exempt from licensing and inspection by the State to have samples of their raw milk and water supply tested by an accredited laboratory. The amendment also requires the Commissioner of Agriculture, Conservation and Forestry to adopt rules governing the testing of raw milk and water supply samples of the milk producers who operate under the exemptions in the bill.

The amendment also adds an appropriations and allocations section.

House Amendment "A" To Committee Amendment "A" (H-427)

This amendment corrects internal cross-references.
