<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HICKMAN SAVIELLO	OTP-AM OTP-AM	

This bill facilitates direct sales between Maine farmers and consumers. It allows persons preparing food in their own homes to sell directly to consumers or to offer homemade food at certain events without being licensed as food establishments.

Committee Amendment "A" (H-326)

This amendment, which is the majority report of the committee, amends the definition of "farm food product" to exclude fluid milk and food requiring temperature control for safety. It also requires all farm food products and homemade food to contain labels containing specific information, including information about the food's producer and the food's ingredients, and a declaration that the food is sold for personal use and is exempt from licensing and inspection by the State. The amendment also states that an agricultural producer or home kitchen producer does not constitute an approved source of food for retail or wholesale use.
