This bill repeals and replaces the existing polygraph examiner licensing statutes effective April 1, 2014.

**Committee Amendment "A" (S-287)**

This amendment makes the following changes to the bill.

1. It provides that the Commissioner of Public Safety is responsible for administering the laws governing polygraph examiners, as in current law, and it changes the status and role of the proposed Polygraph Examiners Board to an advisory board, which the amendment renames the Polygraph Examiners Advisory Board, that is responsible for providing advice to the commissioner on licensing issues related to polygraph examiners and administration of the polygraph examiner licensing laws.
2. It removes provisions in the bill that add polygraph examiners to the list of mandated reporters of suspected abuse or neglect of children or incapacitated or dependent adults.
3. It adds to the list of licensing violations the act of maintaining possession of a suspended or revoked license.
4. It includes the provisions in current law governing prohibitions on the use of polygraph examinations and the limitations on their uses in employment.
5. It removes provisions in the bill that add administrative staff to the board.
6. It removes provisions in the bill that allow the board to take licensing and disciplinary action against licensees.
7. It adds language governing the commissioner's authority to deny a license, refuse to renew a license, suspend or revoke a license or impose disciplinary or probationary conditions, fines or costs of hearing and investigation on a polygraph examiner or intern, as well as issue a written warning.
8. It adds language to provide that the Maine Administrative Procedure Act applies to all administrative actions taken under these provisions, as well as to authorize the commissioner to adopt rules to administer these provisions, which are routine technical rules.
