Joint Standing Committee on Appropriations and Financial Affairs

This bill establishes the Aging in Place Program within the Department of Economic and Community Development to assist low-income seniors with aging in place, including assisting low-income seniors to remain in their homes. It also establishes the Aging in Place Fund and appropriates money to the fund. The department is required to disburse money from the fund to a statewide network that provides weatherization and home repair services, including but not limited to repairs to meet federal Americans with Disabilities Act standards, to replace substandard fixtures and hardware and to reduce ongoing maintenance and heating costs for low-income residents.

LD 1385 An Act To Amend the Reporting Requirements of the Workers' Compensation Management Fund

PUBLIC 447

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FITZPATRICK	OTP	

This bill was carried over from the First Regular Session of the 126th Legislature.

Current law requires the Commissioner of Administrative and Financial Services to provide to the State Budget Officer and departments and agencies notice of quarterly premium payments due to the Workers' Compensation Management Fund so that the charges may be incorporated into the normal budgetary process. This bill instead requires the Department of Administrative and Financial Services, Division of Employee Health and Benefits to inform the State Budget Officer of the premium charges for the fiscal year, and directs the State Budget Officer to advise any affected department or agency so those charges may be incorporated into the normal budgetary process. This bill also removes transitional language that was applicable in the 114th Legislature.

Enacted Law Summary

This law also removes transitional language that was applicable in the 114th Legislature.
