BURNS		

In the First Regular Session of the 126th Legislature, this bill was referred to and reported out of the Joint Standing Committee on Judiciary. It was placed on the Special Appropriations Table, removed from the table, committed to the Joint Standing Committee on Appropriations and Financial Affairs and carried over to a Special or Regular Session.

This bill allows a court, by motion from the State, to allow the testimony of a child who is ten years of age or younger and the alleged victim of a sexual assault or sexual exploitation outside of the presence of the defendant if the court finds by clear and convincing evidence that the protection of the judicial process or the well-being of the child outweighs the constitutional rights of the defendant to confront the defendant's accuser. This bill requires that testimony by a child victim outside the presence of the defendant must be televised by live, two-way closed-circuit television with adequate provisions, including that the court, jury and defendant can hear and observe the child. This bill does not allow testimony of a child outside of the presence of the defendant if the defendant is an attorney pro se or if a positive identification of the defendant by the child is required.
