Joint Standing Committee on Appropriations and Financial Affairs

This bill was carried over from the First Regular Session of the 126th Legislature.

This bill authorizes a bond issue in the amount of \$50,000,000 in order to make cost-effective investments in natural and built infrastructure to reduce threats to the State's water resources and provide a host of benefits for communities across Maine, including ensuring an abundant and high-quality drinking water supply, allowing communities to more effectively prepare for storms and flood events, conserving habitat for recreational fisheries, waterfowl and aquatic and wildlife species and strengthening the State's long-term economic base and competitive advantage. The bill establishes the Water Resources Commission and the Fund To Ensure Clean Water and Safe Communities. The commission is charged with assessing the State's water resource infrastructure needs and with allocating funds for resource conservation and development projects.

Committee Amendment "A" (S-558)

This amendment authorizes a bond issue in the amount of \$10,000,000 in order to make cost-effective investments in natural and built infrastructure to encourage improvements to the State's water resources and provide a host of benefits for communities across Maine, including ensuring an abundant and high-quality drinking water supply, restoring wetlands and strengthening the State's long-term economic base and competitive advantage.

Enacted Law Summary

Public Law 2013, chapter 589 authorizes a bond issue in the amount of \$10,000,000 in order to make cost-effective investments in natural and built infrastructure to encourage improvements to the State's water resources and provide a host of benefits for communities across Maine, including ensuring an abundant and high-quality drinking water supply, restoring wetlands and strengthening the State's long-term economic base and competitive advantage.

The bond issue is subject to voter approval at a statewide election to be held in November 2014.
