FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 126th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. The appendices include a summary of relevant session statistics, an index of all bills by LD number and an index of enacted laws by law type and chapter number.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

LD 1532 An Act To Provide Model Language for Standard Sewer District Charters

CARRIED OVER

Sponsor(s)

Committee Report

Amendments Adopted

This bill creates a model standard sewer district charter in statute. It includes standard language for the common provisions included in a sewer district charter. It also includes the mandatory requirements of the Maine Revised Statutes, Title 38, chapter 12, except the requirement that a new sewer district be formed under the Sanitary District Enabling Act and that a proposed amendment to extend the boundaries of a sewer district be approved by referendum before the amendment is presented to the Legislature.

This bill repeals Title 38, chapter 12. The bill also fixes cross-references.

This bill was carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).

OTP

This bill provides that the limitations on how much electricity an affiliated competitive provider may sell within the service territory of the distribution utility with which it is affiliated do not apply to competitive electricity service or standard-offer service in the service territory or any portion of the service territory of a distribution utility that is located in an area administered by the independent system administrator for northern Maine unless the Public Utilities Commission finds that the level of competitive electricity service and standard-offer service competition in the area administered by the independent system administrator for northern Maine is substantially similar to the level of competitive electricity service and standard-offer service competition in the area of the State that is within the New England independent system operator control area.

Enacted Law Summary

Public Law 2013, chapter 346 provides that the limitations on how much electricity an affiliated competitive provider may sell within the service territory of the distribution utility with which it is affiliated do not apply to competitive electricity service or standard-offer service in the service territory or any portion of the service territory of a distribution utility that is located in an area administered by the independent system administrator for northern
