An Act To Preserve Code Enforcement Officer Training and Certification

CARRIED OVER

Sponsor(s)

CAREY

Committee Report

Amendments Adopted

This bill reassigns the responsibilities for code enforcement officer training and certification from the Department of Economic and Community Development, Office of Community Development to the Department of Environmental Protection, Bureau of Land Quality Control. Current law partially funds the position from the Maine Code Enforcement Training and Certification Fund, which receives fees and surcharges imposed for the examination of plans for construction, reconstruction or repairs, plumbing inspections and training and certification of municipal building officials and code enforcement officers. Current law also provides that if insufficient funds are available to support the training and certification program, the program is discontinued. This bill removes that provision.

This bill was carried over to any special or regular session of the 126th Legislature by joint order, H.P. 1145, as amended by H-B (H-580) and H-C (H-582).
