in the process of collective bargaining and contract administration and related costs.

The bill provides that employees of the legislative and judicial branches are subject to the same merit pay freeze in fiscal year 2014-15 as executive branch employees and deappropriates funds related to the elimination of those merit pay increases.

Enacted Law Summary

Public Law 2013, chapter 425 implements the cost items in the collective bargaining agreements reached between the State and the American Federation of State, County and Municipal Employees, the Maine State Troopers Association and the Maine State Law Enforcement Association and, if tentative agreements are ratified, the Maine State Employees Association and provides for equitable treatment for confidential employees and certain other employees excluded from collective bargaining.

This law specifies the costs from the General Fund and Highway Fund to fund salary increases and authorizes the transfer by financial order of available General Fund and Highway Fund balances as necessary.

This law provides for the adjustment of certain salary schedules in fiscal year 2013-14 and in fiscal year 2014-15. The bill provides for similar and equitable treatment of confidential employees, probationary employees and other employees excluded from collective bargaining.

This law authorizes the Governor to adjust confidential employee salaries as required to achieve parity with comparable positions in the legislative and judicial branches and further authorizes the Governor to grant similar and equitable treatment of employees whose salaries are subject to the Governor's adjustment or approval.

This law authorizes use of the Salary Plan program to fund the collective bargaining agreements and other cost items and provides that positions supported from other funds must be funded whenever possible from those other sources.

This law provides for reimbursement to the Department of Administrative and Financial Services for costs incurred in the process of collective bargaining and contract administration and related costs.

This law provides that employees of the legislative and judicial branches are subject to the same merit pay freeze in fiscal year 2014-15 as executive branch employees. However, it does not deappropriate the funds related to the elimination of those merit pay increases.

Public Law 2013, chapter 425 was enacted as an emergency measure effective July 16, 2013.
