**An Act To Clarify Disclosure Requirements for Political Statements
Broadcast by Radio**

PUBLIC 494

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LUCHINI	OTP-AM	H-626

This bill defines who is an agent of a candidate or the candidate's political committee for purposes of the laws regarding limitations on campaign contributions and expenditures. The bill also defines "candidate's political committee" based on the existing definition of "political committee" in the Maine Revised Statutes, Title 21-A, section 1, subsection 30. Certain individuals in positions of responsibility within a candidate's political campaign, including the treasurer and deputy treasurer, are deemed part of the candidate's political committee. An expenditure made by or in consultation with these individuals may not be considered independent of the candidate or the candidate's political committee.

Committee Amendment "A" (H-626)

This amendment replaces the bill. The amendment clarifies existing law with regard to disclosures required to be included in political statements made by radio when the communication is financed by someone other than the candidate or the candidate's political committee. The disclosure requirement states that only the city and state of the person who financed the communication must be disclosed. This is the same requirement as in current law, but the amendment states the requirement in a separate sentence. The amendment also reorganizes the relevant section of statute so that all communications that under current law are exempt from the name and address disclosure requirements are listed under the same subsection, including those communications that are on items so small that the disclosure would be illegible, such as pens, swizzle sticks or matchbooks.

Enacted Law Summary

Public Law 2013, chapter 494 clarifies existing law with regard to disclosures required to be included in political statements made by radio when the communication is financed by someone other than the candidate or the candidate's political committee. The disclosure requirement states that only the city and state of the person who financed the communication must be disclosed. This is the same requirement as in current law, but the change made by chapter 494 states the requirement in a separate sentence. The law also reorganizes the relevant section of statute so that all communications that, under current law, are exempt from the name and address disclosure requirements are listed under the same subsection, including those communications that are on items so small that the disclosure would be illegible, such as pens, swizzle sticks or matchbooks.
