LD 1619 An Act To Provide for a Quorum at the Public Utilities Commission

Veto Sustained

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RUSSELL	OTP-AM	H-645 S-461 CLEVELAND

This bill requires the Governor to appoint a replacement for a member of the Public Utilities Commission whose recusal from a proceeding due to a conflict of interest prevents the commission from having a quorum. The Governor must appoint a replacement by lottery from a list maintained by the Governor of five qualified persons approved by the joint standing committee of the Legislature having jurisdiction over public utilities matters.

The concepts in this bill were incorporated into LD 1860.

Committee Amendment "A" (H-645)

This amendment replaces the bill. This amendment authorizes the Governor to appoint, subject to confirmation by the Legislature, three individuals to be alternate commissioners of the Public Utilities Commission. An alternate commissioner is randomly selected to be appointed a temporary commissioner to a proceeding at the Public Utilities Commission if a quorum is not available due to conflict of interest, disability or other reason.

Senate Amendment "A" To Committee Amendment "A" (S-461)

This amendment specifies with more detail the compensation that will be provided to a temporary commissioner.
