LD 1702 Resolve, Directing the University of Maine System and the Maine Community College System To Study the Establishment of a Pilot Program Based on Oregon's "Pay Forward, Pay Back" Model of Funding Public Postsecondary Education

INDEF PP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KATZ POULIOT	OTP	

This resolve directs the University of Maine System and the Maine Community College System to study the establishment of a pilot program based on Oregon's "Pay Forward, Pay Back" model to replace the current system of charging a resident of the State tuition and fees for enrollment at a state public institution of higher education. Under the pilot program, a student who is a resident of the State and who qualifies for admission to an institution would be able to enroll in the institution without paying tuition or fees; instead, the student would sign a binding contract to pay to the State or the institution for a specified number of years a certain percentage of the student's annual adjusted gross income upon graduation from the institution. Under the resolve, the University of Maine System and the Maine Community College System are directed to report their findings and any proposed implementing legislation to the joint standing committee of the Legislature having jurisdiction over education matters by December 3, 2014.
