<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DOAK	OTP-AM	H-672 H-680 KUMIEGA

This bill amends the laws governing the enforcement of marine resources laws in the following ways.

1. It allows the Commissioner of Marine Resources to enter into an interstate wildlife violator compact and allows the commissioner to suspend or revoke the licenses of individuals whose licenses have been suspended or revoked for violations of marine resources law in other member states.
2. It increases the limit on the value of items seized by a marine patrol officer that need not be subject to judicial process for the disposition of property seized by the government from \$75 to \$200. It provides for the notice of judicial process for the disposition of property seized by the government to be mailed to the individual from whom the items were seized, in addition to the existing requirement to post notice in the municipality or place where the items were seized. It specifies the process for the sale or disposition of marine organisms prior to judicial process for the disposition of property seized by the government.
