- 7. Allowing all standing committees of the State Workforce Investment Board to receive funds and other things of value to allow the standing committees to carry out the purposes of the State Workforce Investment Board.

LD 1698 **An Act To Streamline the Work Permitting Process for Minors and To Conform Allowable Places That Minors May Work to Federal Law** **Died Between Houses**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LOCKMAN CUSHING	ONTP OTP	

Current law requires that a minor start the work permitting process through the superintendent of schools of the school administrative unit in which the minor resides regardless of whether school is in session. This bill would allow a minor less than 16 years of age to obtain a work permit directly from the Department of Labor, Bureau of Labor Standards when school is not in session. The bill clarifies the roles and responsibilities of the superintendent of the school administrative unit and of the bureau as they relate to the work permitting process. The bill specifies that the bureau may issue a permit for a student who is attending summer school only after receiving certification from the superintendent that the student is enrolled in summer school, not truant, not under suspension and passing a majority of courses during the current grading period. The bill specifies that when school is not in session the bureau may issue a permit for a student only after receiving satisfactory evidence of the minor's age. The bill also authorizes the bureau to revoke a permit when there is reason to believe the permit should be revoked. Finally, the bill allows a minor less than 16 years of age to work in a bowling alley or theater, which conforms to federal law, and repeals the language dealing with triplicate permits and a master permit system.
