LD 1809 An Act Concerning Meetings of Boards of Trustees and Governing Bodies of Quasi-municipal Corporations and Districts That Provide Water, Sewer and Sanitary Services

Veto Sustained

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-798
	ONTP	H-812 WILLETTE

This bill prohibits the use of telephonic, video, electronic or other similar means of communication to conduct public proceedings of elected public bodies of municipalities, quasi-municipal entities and school administrative units. It allows nonelected public bodies of municipalities, quasi-municipalities and school administrative units to do so only if specific requirements are met. Subject to the listed requirements, a body may conduct a public proceeding during which a member of the body participates in the discussion or transaction of public or governmental business through telephonic, video, electronic or other similar means of communication.

Committee Amendment "A" (H-798)

This amendment is the majority report of the Joint Standing Committee on Judiciary. This amendment limits the application of the bill to the governing bodies of quasi-municipal corporations and districts, as defined in the Maine Revised Statutes, Title 30-A, section 2351, subsection 4, that provide water, sewer or sanitary services if the governing bodies adopt policies that meet specified requirements.

House Amendment "A" To Committee Amendment "A" (H-812)

This amendment expressly allows a member of the Loring Development Authority of Maine, or the Midcoast Regional Redevelopment Authority who is not physically present at a meeting but who is participating through combined audio and video means of communication to be considered present for purposes of establishing a quorum, and to participate and vote in all proceedings of the respective authority.
