<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
YOUNGBLOOD	ONTP OTP-AM	

This bill establishes the Affordable Heating from Maine's Forests Fund, administered by the Efficiency Maine Trust. The fund receives revenue from the sale of timber and other things of value from Maine's public reserved lands. In 2014, a total of \$1,000,000 will be transferred from the Public Reserved Lands Management Fund to the Affordable Heating from Maine's Forests Fund, and in subsequent years, \$1,250,000 or \$1,000,000 will be transferred annually depending on the quantity of wood harvested. The Efficiency Maine Trust is required to use the funding for measures that reduce residential heating costs.

**Committee Amendment "A" (S-480)**

This amendment, which is the minority report, renames the Affordable Heating from Maine's Forests Fund established in the bill the Low-income Affordable Heating Assistance from Maine's Forests Fund.

The amendment provides that the fund administered by the Efficiency Maine Trust must be used for investments in affordable measures that reduce residential heating costs for individuals eligible for the federal Low-income Home Energy Assistance Program. The amendment also provides that the Treasurer of State is required to transfer funds from the Public Reserved Lands Management Fund to the Low-income Affordable Heating Assistance from Maine's Forests Fund, but only if the Director of the Bureau of Parks and Lands within the Department of Agriculture, Conservation and Forestry determines that the transfer of funds will not significantly impair management of public lands. It also provides that the transfer of funds will begin September 1, 2014 rather than March 1, 2014. It also removes the emergency preamble and the emergency clause. Finally, the amendment adds an appropriations and allocations section.
