***Joint Standing Committee on Appropriations and Financial Affairs***

Statutes, Title 36, section 5219-Y and the visual media production reimbursement established in Title 36, section 6902. The Department of Economic and Community Development is permitted to enter into a memorandum of understanding with the University of Maine to conduct the pilot project. The Department of Administrative and Financial Services, Maine Revenue Services and the Office of Fiscal and Program Review are required to evaluate the findings of the pilot project and to jointly report to the Joint Standing Committee on Taxation whether the proposed changes to the visual media production credit and reimbursement would result in a negative or positive fiscal impact.

Part B of this bill repeals the certified visual media production credit and instead increases the reimbursement amount for certified production wages paid from 12% to 25% for residents of Maine, increases the cap on the reimbursement of wages from \$50,000 to \$100,000 and provides for a reimbursement of 20% of nonwage visual media production expenses. These changes take effect only if the result of the joint finding of Maine Revenue Services and the Office of Fiscal and Program Review is that the changes proposed in this Part would result in a positive fiscal impact on state revenue.

This bill validates the referendum of the Town of Old Orchard Beach conducted on November 8, 2011. The Town of Old Orchard Beach notified the voters of the referendum by posting specimen ballots rather than warrants or notices of election, which has created a legal technicality that could affect the marketability of the bonds to be issued for the addition to the Edith Belle Libby Memorial Library in the Town of Old Orchard Beach.

**Enacted Law Summary**

Private and Special Law 2013, chapter 28 validates the referendum of the Town of Old Orchard Beach conducted on November 8, 2011. The Town of Old Orchard Beach notified the voters of the referendum by posting specimen ballots rather than warrants or notices of election, which has created a legal technicality that could affect the marketability of the bonds to be issued for the addition to the Edith Belle Libby Memorial Library in the Town of Old Orchard Beach.

Private and Special Law 2013, chapter 28 was enacted as an emergency measure effective April 26, 2014.

**LD 1857**

**An Act To Expand Services to Persons Who Are Disabled or Elderly on Wait Lists by Reducing Revenue Sharing**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
AYOTTE	ONTP	

This bill increases funding on an ongoing basis for developmental services waivers under Department of Health and Human Services Chapter 101: MaineCare Benefits Manual, Chapter II, Sections 21 and 29 and Chapter III, Sections 21 and 29 for consumer-directed home-based care and for the brain injury residential and community services waiver. In fiscal year 2014-15, the increased funding is offset by a reduction in the General Fund for municipal revenue sharing. The bill states that, after fiscal year 2014-15, it is the intent of the Legislature that funding for these allocations is to be paid for through savings achieved in the MaineCare budget as a result of the elimination of eligibility for parents with a household income equal to or greater than 100% of the nonfarm income official federal poverty level.
