This bill was carried over from the First Regular Session of the 127th Legislature.

This bill amends the laws regarding housing accommodations for individuals using service animals. It exempts a landlord from having to comply with provisions concerning service animals when the landlord has requested from an individual seeking an accommodation a letter written by a licensed health care professional or social worker that sets out details about the service animal and why the individual seeking the accommodation needs the service animal if the landlord has not received that letter within a reasonable period of time. It creates a presumption within the laws regarding forcible entry and detainer that a landlord does not have to make an accommodation for a service animal when the service animal's owner fails to comply with a set of requirements, including insurance coverage, sanitation and public safety. It allows a landlord to charge higher rent and higher security deposits and to require renter's insurance for an individual with a service animal. It also changes the law concerning rentals of one-family units in two-family dwellings exempted from the requirements of the Maine Human Rights Act by extending the exemption to rentals of one-family units in dwellings for four families or fewer. The issue of service animals in housing was included in a study convened by the Department of Agriculture, Conservation and Forestry pursuant to Resolve 2015, chapter 36. The recommendations from the Report of the Task Force To Ensure Integrity in the Use of Service Animals are included in LD 1601.
