**LD 32 An Act To Amend the Laws Regarding Signs on Interstate Highways in ONTP
Maine**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ESPLING BRAKEY	ONTP	

This bill allows for directional signs on interstate highways in Maine for a destination that is within 10 miles of the highway if the destination is cultural or historic and had a sign on those roads prior to August 1, 2014.

**LD 34 An Act To Address Suspension of an Operator's License for Negligent Accepted Majority
Operation Causing the Death of Another Person (ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	ONTP OTP	

Under current law, the Secretary of State is required to suspend, without preliminary hearing, a person's license to drive for a period of at least three years if the Secretary of State finds that person to have recklessly or negligently operated a motor vehicle so as to cause the death of another person. This bill reduces the mandatory minimum administrative license suspension from three years to 90 days, creates a maximum administrative license suspension period of four years, and removes reference to reckless operation as unnecessary since a suspension is determined by the Secretary of State's application of the lesser civil standard of negligent operation.

**LD 37 An Act Regarding Emergency Lights on a Vehicle Used by a Member of PUBLIC 31
a Municipal or Volunteer Fire or Emergency Medical Services
Department**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EVANGELOS	OTP-AM	H-29

This bill increases the number of emergency lights allowed on personal vehicles used by firefighters and emergency medical service personnel.

Committee Amendment "A" (H-29)

This amendment allows one red auxiliary emergency light to be mounted on the rear of personal vehicles used by firefighters and emergency medical service personnel. It removes from the bill permission for firefighters and emergency service personnel to use amber auxiliary lights on personal vehicles.

Enacted Law Summary

Public Law 2015, chapter 31 allows one red auxiliary emergency light to be mounted on the rear of personal vehicles used by firefighters and emergency medical service personnel.
