CYRWAY LUCHINI	ONTP	

This bill allows a municipality or plantation that forms a tax increment financing district to use the revenue generated by that district to pay for the costs of vital public services, as long as the costs of the services do not exceed 50 percent of the tax increment revenue and the costs are not paid for more than two fiscal years during the life of the tax increment financing district and its development program. Vital public services are fire and rescue, law enforcement and waste disposal services and local road improvements.

LD 118 **An Act To Authorize Municipalities To Refund Amounts Collected in Excess of Tax Liens** **PUBLIC 53 EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCCORMICK	OTP-AM	S-55

This bill authorizes a municipality that forecloses on residential real estate to return the excess funds, after subtracting the tax lien, interest, fees for recording the lien, costs of mailing notice, court costs, taxes that would have been assessed while the property was held by the municipality and any other expenses incurred in disposing of the real estate.

Committee Amendment "A" (S-55)

This amendment provides that disbursement of the excess of any funds acquired for nonpayment of property taxes must be authorized by municipal ordinance or, with regard to the unorganized territory, by rulemaking by the State Tax Assessor. The amendment clarifies the taxes, interest, fees and other costs connected with the disposal of property acquired through the tax lien and foreclosure process that may be retained by the municipality. The amendment also provides that an authorizing ordinance may apply to sales of property acquired through the tax lien and foreclosure process on or after January 1, 2015.
