LD 176 **An Act To Amend the Law Governing the Gathering of Signatures for Direct Initiatives and People's Veto Referenda** **PUBLIC 99 EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHORT CUSHING	OTP-AM	H-98

This bill prohibits persons who are not residents of the State from collecting signatures on a petition for the direct initiative of legislation or a people's veto referendum and from handling such a petition in any manner. The bill permits persons who are not residents to provide others with information about a petition. The bill requires a person employed by a petition organization to register with the Commission on Governmental Ethics and Election Practices and to disclose to the commission information regarding the person's place of residence, employment history, compensation, number of signatures gathered in a month and petitions circulated and to wear an identification badge when collecting signatures. The bill requires a petition organization to post a \$2,000 bond on a circulator receiving over \$2,500 in compensation. The bill makes a violation of any of these provisions a Class E crime.

Committee Amendment "A" (H-98)

This amendment replaces the bill, which imposes limitations and residency restrictions on circulators of petitions. The amendment clarifies the law regarding the solicitation of signatures for a direct initiative or a people's veto referendum. It also requires a petition organization that receives compensation for working on a signature-gathering effort to submit to the Secretary of State as part of the organization's registration process a list containing the names of those hired by the organization, which must be updated when the petitions are ultimately filed with the Secretary of State.
