**An Act To Connect the Citizens of the State to the State's Natural Resources by Establishing Standards for Relief from Regulatory Burdens**

**Died Between Houses**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COLLINS NADEAU	ONTP OTP-AM	

This bill proposes standards for relief when state regulation imposes an inordinate burden on an individual property owner, as well as efficient mechanisms for pursuit of such relief. The bill provides that, if a property owner's right to use, divide, sell, occupy or possess real property is reduced by the enactment or application of a government regulation, the property owner may seek and obtain relief. Under the provisions of the bill, prior to filing an action, the property owner must pursue relief under a land use mediation program.

**Committee Amendment "A" (S-124)**

This amendment is the minority report of the committee. It adds a takings variance as an option for the State when a property owner's land is subject to a regulatory taking. A takings variance is a decision by the State to permit departure from the requirements of a regulation. If a fact finder determines that a regulatory taking has occurred, the State must choose between paying damages to the property owner, as provided in the bill, and granting a takings variance. Granting a takings variance means that the regulation causing the regulatory taking will not be applied to the property. The State may also grant a takings variance as a settlement offer as part of the mandatory mediation process.

**An Act To Protect Consumers against Residential Real Estate Title Defects**

**PUBLIC 289**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
POULIOT HASKELL	OTP-AM	H-425

The purpose of this bill is to protect consumers against defects in titles to real estate in which Mortgage Electronic Registration Systems, Inc., appears in the chain of title. Under current Maine law, according to *Bank of America v. Greenleaf*, 2014 ME 89, 102 A.3d 774, any action by Mortgage Electronic Registration Systems, Inc., other than the recording of a mortgage, is invalid and of no force or effect. A large proportion of Maine residential real estate transactions include Mortgage Electronic Registration Systems, Inc. in the chain of title, putting consumers at risk of a defect in the title to their property.

This bill amends Maine law to eliminate that risk by establishing the presumption that a nominee mortgagee has the authority to assign or otherwise affect the mortgage even if the instrument assigning authority to the nominee mortgagee does not specifically so state. The authority is not presumed if the instrument explicitly negates the authority or if a separate written instrument negates the authority and that instrument is recorded in the appropriate registry of deeds.

**Committee Amendment "A" (H-425)**

This amendment clarifies that a person or entity may be named as nominee to hold a mortgage. This amendment provides that the provisions of the bill apply to the following:

1. A discharge or partial release issued prior to the effective date of this legislation, whether made by a nominee mortgagee or by a subsequent assignee;
