LD 344 An Act To Amend the Laws Governing the Confidentiality of Library Records

PUBLIC 81

Sponsor(s)	Committee Report	Amendments Adopted
THIBODEAU	OTP	

Current law designates as confidential library records that identify the books or materials a patron uses at a public library, the Maine State Library, the Law and Legislative Reference Library and the libraries of the University of Maine System, the Maine Community College System and the Maine Maritime Academy.

This bill retains that designation of confidentiality and also designates as confidential personally identifying information about the library patron. The bill also retains the provision that the confidential information may be released with the written permission of the library patron or pursuant to a court order but adds language permitting the confidential information to be released to officers, employees, volunteers and agents of the library for administrative purposes. The bill clarifies that a library may publish and release as a public record aggregated and statistical information about library use if the confidentiality of a library patron's personally identifying information is not jeopardized.
