**Accepted Minority
(ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DEVIN JOHNSON	OTP-AM ONTP	

This bill requires a retailer to assess a 5¢ surcharge for a plastic bag designed for one-time use distributed to a customer at the point of retail sale. A retailer retains 2¢ from the surcharge for administrative costs. The revenues from the plastic bag surcharge are credited to the Plastics Recycling Fund administered by the Department of Environmental Protection for the purpose of promoting recycling efforts related to plastics. A retailer may provide recyclable paper bags to bag products at the point of sale. A retailer must provide reusable bags for purchase by a customer.

Committee Amendment "A" (H-83)

This amendment, which is the majority report of the committee, replaces the bill and changes the title. It prohibits a retailer from using plastic bags to bag products at the point of retail sale or otherwise make plastic bags available to customers, with exceptions for certain types of plastic bags. This prohibition is effective September 1, 2020. A retailer may provide recyclable paper bags to bag products at the point of sale and must provide reusable bags for purchase by a customer. The amendment also makes changes to existing law regarding retailer collection and recycling of used plastic bags to ensure consistency with the implementation of the plastic bag prohibition.
