Joint Standing Committee on Health and Human Services

This bill is a concept draft pursuant to Joint Rule 208. This bill proposes to align mandatory charity care laws governing hospitals and subsidized health insurance coverage under the federal Patient Protection and Affordable Care Act, Public Law 111-148, 124 Stat. 119 (2010).

Committee Amendment "A" (H-260)

This amendment, which is the minority report of the committee, replaces the concept draft and amends the laws regarding hospital charity care guidelines as follows.

1. It changes the term "charity care" to "financial assistance" in a number of statutory sections to better align state statute with the federal Patient Protection and Affordable Care Act.
2. It requires the Department of Health and Human Services to adopt rules rather than guidelines to regulate hospital financial assistance policies.
3. It provides for hospital financial assistance to patients without insurance coverage whose income is equal to or less than 138 percent of the federal poverty level.

The amendment also repeals Resolve 2005, chapter 148, which required the establishment of hospital free care guidelines for patients below 150 percent of the federal poverty level. The amendment provides an effective date of January 1, 2016.

Committee Amendment "A" (S-200)

The amendment adds language to clarify that the provisions in the bill do not apply to a person who is in the process of seeking an extension of benefits under the Temporary Assistance for Needy Families program. The amendment also adds an appropriations and allocations section.
