127TH LEGISLATURE

FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 127th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. An appendix provides a summary of relevant session statistics.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

<i>CARRIED OVER</i>	<i>carried over to a subsequent session of the Legislature</i>

Joint Standing Committee on Labor, Commerce, Research and Economic Development

This bill prohibits the Board of Licensure in Medicine from disciplining a physician or revoking or suspending a physician's license for prescribing, administering or dispensing long-term antibiotic therapy to a patient with acute, persistent or chronic Lyme disease if the therapy was pursuant to a treatment plan recommended by the United States Department of Health and Human Services, Centers for Disease Control and Prevention that considered the patient's individual circumstance or was in the best judgment of the physician with respect to the particular patient or special clinical situation.

Committee Amendment "A" (H-216)

This amendment is the majority report of the committee. It replaces the bill and provides that a licensed physician may prescribe, administer or dispense long-term antibiotic therapy for a therapeutic purpose to eliminate infection or to control a patient's symptoms upon making a clinical diagnosis that the patient has Lyme disease or displays symptoms consistent with a clinical diagnosis of Lyme disease. It requires the clinical diagnosis and treatment to be documented in the patient's medical record by the prescribing licensed physician. The amendment also defines terms, including "Lyme disease."

Committee Amendment "B" (H-217)

This amendment is the minority report of the committee. It replaces the bill with a resolve that directs the Board of Licensure in Medicine, Board of Osteopathic Licensure and the State Board of Nursing to notify their respective licensees that using nontraditional treatments for diseases, including Lyme disease, will not result in disciplinary action based solely upon the use of nontraditional treatment as long as the medical decision-making, the monitoring of the patient's reaction to the specific treatment and the patient's informed consent to the specific treatment are documented in the patient's medical record.

Enacted Law Summary

Public Law 2015, chapter 235 provides that a licensed physician may prescribe, administer or dispense long-term antibiotic therapy for a therapeutic purpose to eliminate infection or to control a patient's symptoms upon making a clinical diagnosis that the patient has Lyme disease or displays symptoms consistent with a clinical diagnosis of Lyme disease. It requires the clinical diagnosis and treatment to be documented in the patient's medical record by the prescribing licensed physician.

LD 429

An Act To Modify the Disbursement from the Maine Economic Improvement Fund

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BURNS ALLEY		

This bill changes the apportionment of the percentage of the Maine Economic Improvement Fund that goes to the University of Maine at Augusta, the University of Maine at Farmington, the University of Maine at Fort Kent, the University of Maine at Machias, the University of Maine at Presque Isle and the Maine Maritime Academy to support applied research and development by removing the apportionment to all institutions of a minimum of 3% of the fund and instead requiring a minimum of 2% of the fund to be disbursed to the University of Maine at Machias to support applied marine research and development at that university's marine field station and a minimum of 1% to be apportioned among the remainder of the institutions.

This bill was carried over to any special or regular session of the 127th Legislature by joint order, H.P. 992.
