An Act To Allow Children's Residential Care Facilities To Ensure the Safety of Their Residents

PUBLIC 240

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WHITE WILLETTE	OTP-AM	H-329

This bill allows an administrator of a children's home or children's residential care facility to search a resident's backpack or travel bag and confiscate any items that pose a health or safety risk whenever that resident returns to the facility after an absence.

Committee Amendment "A" (H-329)

This amendment replaces the bill. The amendment allows an administrator or other designated staff of a children's home or children's residential care facility to search a resident's backpack or travel bag if there are reasonable grounds for suspecting that the backpack or travel bag contains misappropriated articles or items that would endanger the health or safety of the resident or other residents. The amended language mirrors current Department of Health and Human Services rules and United States Supreme Court precedent.
