This bill authorizes municipalities to provide benefits of up to \$750 for persons who serve as volunteer firefighters or volunteer emergency medical services personnel.

Committee Amendment "A" (H-376)

This amendment strikes the bill and replaces it with a resolve that establishes the Municipal Volunteer Working Group to find solutions to the recruitment, training and retention problems facing volunteer fire departments and volunteer emergency medical services providers in the State.

House Amendment "A" To Committee Amendment "A" (H-418)

This amendment strikes the emergency preamble and emergency clause.

Senate Amendment "A" To Committee Amendment "A" (S-333)

This amendment decreases the number of members on the working group from nine to seven by decreasing the number of members of the Senate from two to one and the number of members of the House of Representatives from three to two. The amendment also limits to three the number of meetings authorized for the working group.

Amendments Adopted

This bill repeals the service provider tax on private nonmedical institutions and expands the tax to cover motion picture entertainment and certain winter sports. The revenue from the newly covered services is dedicated to fund medical services eligible for matching federal Medicaid funding currently funded by revenue from the tax on private nonmedical institutions. The bill also corrects an oversight by identifying the application of revenue from the service provider tax on group residential services for persons with brain injuries.
