Committee Amendment "A" (H-32)

It requires that a political communication in the form of a prerecorded automated telephone call must clearly state the name of the person who financed the expenditure for the communication at the beginning of the call. Current law does not specify when during the call this statement is required.

LD 413 An Act To Expand Access to Absentee Ballots

Accepted Minority (ONTP) Report

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BROOKS LIBBY	OTP-AM ONTP	

This bill eliminates restrictions on the issuance of absentee ballots after the third day before an election, removes deadlines for the return of an absentee ballot by a third person and allows a voter to vote by absentee ballot in the presence of the clerk until 8:00 p.m. on the day of any election.

Committee Amendment "A" (H-59)

This amendment replaces the bill and is the majority report of the committee. Current law provides for certain circumstances when a voter is permitted to request an absentee ballot after the third business day preceding election day. One of those circumstances is when a voter attests that the voter will be unexpectedly absent from the municipality during the entire time the polls are open on election day. The amendment provides that an application for an absentee ballot may be accepted after the deadline if the voter will be absent on election day without the voter attesting that the absence was unexpected.
