Joint Standing Committee on Labor, Commerce, Research and Economic Development

Under current law, a person in charge of a workplace is required to report in writing or by telephone to the Director of the Bureau of Labor Standards the death of any person in the workplace or a serious physical injury requiring hospitalization sustained by a person in the workplace. This bill replaces the requirement to report in writing or by telephone with a requirement to report by telephone or electronically and provides that the report may be made to the director or the director's designee. It amends the definition of "serious physical injury." It also authorizes the director and any authorized agent of the bureau to enter a public sector workplace for the purpose of examining the safety and health of employees.

Committee Amendment "A" (H-132)

This amendment, which is the majority report of the committee, incorporates a fiscal note.

Enacted Law Summary

The federal Occupational Safety and Health Administration requires state plan states to implement these changes to conform to the new requirements no later than July 1, 2015, or risk a loss of federal reimbursement.
