<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WOODSOME	ONTP	

This bill provides that, beginning with the 2016 tax year, it is the goal and policy of the State that the amount of property taxes distributed by a municipality for education under the Essential Programs and Services Funding Act may not exceed 55 percent of the state valuation of the municipality's property subject to the valuation filed with the Secretary of State. The bill also provides that a municipality is not required to pay more than 55 percent of the funds raised by local property taxes for the municipality's required contribution to the school administrative unit's total cost of education unless a majority of the elected officials of the municipality approve raising and expending funds appropriated through local taxation for educational purposes that exceed 55 percent of the state valuation of the municipality's property.

The amendment also provides that a referendum authorized for this purpose must be called and conducted by the governing body of the alternative organizational structure in accordance with the procedures for calling and conducting a referendum in a regional school unit as set forth in the
