This resolution was carried over from the First Regular Session of the 127th Legislature.

This bill proposes to amend the Constitution of Maine to require that at least 5% of the number of signatures required on a petition to directly initiate legislation be of electors registered to vote in each of the 16 counties.

Committee Amendment "A" (S-129)

The resolution proposes to amend the Constitution of Maine to require that signatures on a petition to directly initiate legislation be of voters from every county of the State. This amendment instead proposes to amend the Constitution of Maine to require that the number of signatures on a petition to directly initiate legislation be of voters from each of the State's 2 congressional districts in an amount not less than 10% of the total votes for Governor cast in that congressional district in the previous gubernatorial election.

This amendment was not adopted.

Committee Amendment "B" (S-356)

This amendment proposes to amend the Constitution of Maine to require that the signatures on a petition to directly initiate legislation be of voters from each of the State's two congressional districts and that the number of signatures from each congressional district be not less than ten percent of the total votes for Governor cast in that congressional district in the previous gubernatorial election. This amendment provides that, if the required votes are cast in favor of the proposed amendment to the Constitution, the proposed amendment becomes part of the Constitution on March 1, 2017 instead of on the date of the Governor's proclamation.

This bill was carried over from the First Regular Session of the 127th Legislature.

Current law limits the amount individuals, political committees, political action committees and other entities may contribute to a candidate for Governor to \$1,500 in any primary, general or special election. The limit for a legislative candidate is \$350 per election. This bill provides that individuals, political committees, political action committees and other entities may contribute a total of \$3,000 to a candidate for Governor, including a maximum of \$1,500 for a primary election, and a total of \$750 to a legislative candidate, including a maximum of \$375 for a primary election.

Committee Amendment "A" (H-568)

This amendment replaces the bill and was presented in response to the United States District Court decision in *Woodhouse, et al. v. Maine Commission on Governmental Ethics and Election Practices, et al.*, United States District Court, District of Maine, Docket No. 1:14-CV-266-DBH.

The amendment provides that contributions received by a candidate for a primary election must be segregated from those received for the general election. The amendment allows a candidate who is unopposed in a primary election to use, in the general election, contributions received for the primary election prior to the deadline by which primary candidates must submit petitions to take part in a primary election. Contributions carried forward from the primary election to the general election are subject to the dollar limits that apply to contributions made to a candidate by a single donor.

The amendment permits a candidate who defeats a primary opponent to carry forward, to the general election, unspent contributions received for the primary election. Regardless of whether the candidate was opposed in a primary election, if the sum of a primary election contribution and a general election contribution from the same donor exceeds contribution limits, the candidate must return at least the excess amount to the donor.

The amendment specifies that contributions received for the purpose of supporting a candidate in a primary election may not be used primarily to support the candidate's general election.

The amendment repeals the limit of \$25,000 per calendar year on an individual's aggregate contributions to all political candidates.

The amendment delays the effective date until December 1, 2016 and also makes technical, cross-reference changes.

This amendment was not adopted.
