### **Committee Amendment "A" (S-235)**

This amendment is the majority report of the committee. It clarifies that increases to reimbursement rates of the dental codes in the resolve are to be made in five equal increases. The amendment requires the Department of Health and Human Services to amend the rules under Chapter 101: MaineCare Benefits Manual, Chapter II, Section 25 to cover diagnostic and preventive services to pregnant women and postpartum women and dental services necessary to avoid more costly medical or dental care as identified by a stakeholder group. It requires the Department of Health and Human Services to provide information concerning adult dental benefits to adult MaineCare members and providers. It requires the department to adopt rules by January 1, 2016 relating to dental coverage for pregnant women and postpartum women and for services provided to avoid more costly medical or dental care. The amendment also adds an appropriations and allocations section. The amendment also changes the title and adds a fiscal note.

### **Committee Amendment "B" (S-236)**

This amendment, which is the minority report of the committee, replaces the resolve. It requires the Department of Health and Human Services to conduct a review of the reimbursement rates under the MaineCare program for the dental codes in the resolve to determine if the current reimbursement levels are appropriate for recruiting and retaining sufficient numbers and geographic coverage of dentists providing services to MaineCare members. The department shall report its findings no later than January 1, 2016 to the Joint Standing Committee on Health and Human Services. The joint standing committee may report out legislation related to the report to the Second Regular Session of the 127th Legislature.
