BABBIDGE BURNS	OTP-AM ONTP	H-299

This bill encourages municipalities to develop policies that assist older adults with aging in place and that create age-friendly communities. It amends the law governing comprehensive plans by encouraging municipalities to plan for the needs of older adults in their communities.

**Committee Amendment "A" (H-299)**

This amendment is the majority report of the committee and does the following:

1. Provides that the inventory and analysis section of a comprehensive plan may include an evaluation of whether available housing meets the needs of older adults to help them age in place;
2. Amends the provision in the bill that identifies a guideline related to aging in place for municipalities to employ in developing land use strategies; and
3. Strikes the guideline in the bill and directs municipalities to consider the adoption of land use policies that help older adults age in place by addressing issues of special concern to older adults.

**LD 915      An Act To Facilitate Long-range Planning in Certain Municipalities**

**ONTP**

STANLEY	ONTP	

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to enact measures designed to facilitate the ability of so-called "one-industry towns" to plan for, and recover from, the closure of that one industry. The measures proposed by the bill may include, but are not limited to:

1. The imposition of a fee on any ancillary commodity produced by the industry, such as hydropower produced by a mill, and remitting the amount of the fee to the town;
2. A requirement that municipalities that are reliant on a single industry develop, with representatives of the industry, a long-term plan for the industry and any ancillary commodity produced by the industry; and
3. A requirement that an industry provide municipal officials written notice of its plan to terminate its business at least 90 days prior to the intended termination.
