Joint Standing Committee on Appropriations and Financial Affairs

LD 924 **An Act To Authorize a General Fund Bond Issue To Enhance State Parks** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FREDETTE K SAVIELLO T	ONTP	

This bill was carried over from the First Regular Session of the 127th Legislature.

The funds provided by this bond issue, in the amount of \$5,190,000, will be used to enhance state parks by providing funds for upgrades and safety improvements, and ensuring compliance with federal laws, for bathroom facilities, septic systems, entry gates, historic sites and structures, piers and docks, park roads, water supply and distribution systems, dams and locks, handicapped access areas and playgrounds.

LD 927 **An Act To Remove the Age Penalty for State Retirees Working at Institutions That Are Closing** **Died Between Houses**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ALLEY R BURNS D	OTP-AM ONTP	

This bill was carried over from the First Regular Session of the 127th Legislature.

This bill removes the reduction of 6% of the benefits of a member of the Maine Public Employees Retirement System for each year under the age of 65 if the member:

1. Has 25 years of creditable service;
2. Has not reached the age of 61 years, six months and one day; and
3. Is or was employed at a state facility over 100 miles from the nearest facility in the same department and that facility has closed or is scheduled to close during the member's employment.

Committee Amendment "A" (H-674)

This amendment is the majority report of the committee. It strikes the bill and replaces it with language that allows employees at certain state correctional facilities who have not reached their normal retirement age to retire and receive their full retirement benefit if certain conditions are met and funding is appropriated for the additional actuarial costs that result from the elimination of a reduction for retirement prior to normal retirement age. This amendment also requires the Commissioner of Administrative and Financial Services to provide certification of the pending closure of a state correctional facility to the Maine Public Employees Retirement System. The amendment requires the retirement system to calculate the amount of funding necessary to pay for the actuarial costs and report that information to the joint standing committee of the Legislature having jurisdiction over retirement matters which may report out legislation appropriating funds for the costs set forth in the report.

This amendment was not adopted.
