An Act Regarding Alcohol Manufacturing Licenses Issued to Research Facilities

PUBLIC 149

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DILL TIPPING-SPITZ	OTP-AM	S-98

This bill creates a liquor manufacturing license for a research facility at a postsecondary educational institution. Under the bill, other liquor manufacturers, known as subject manufacturers, may produce malt liquor, wine, sparkling wine, fortified wine and spirits at the research facility and the research facility may itself manufacture malt liquor, wine, sparkling wine, fortified wine and spirits for research or instructional purposes, which the research facility also may sell to the State, wholesalers or retailers or directly to the public under certain circumstances.

Committee Amendment "A" (S-98)

This amendment replaces the bill. It establishes a research manufacturer license for a state-sponsored postsecondary educational institution that offers course work or degree programs in food sciences or agricultural sciences. The license authorizes the manufacture of malt liquor, wine or spirits by a licensee for educational purposes and as part of an outreach extension program of the institution that provides food science and food processing consultation and educational services through application of the institution's research to promote business development.

An Act To Provide Access to Private Apartment Complexes for Political Candidates

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VACHON VALENTINO	ONTP	

This bill allows candidates for office and their accompanying volunteers to access common areas of multiple-unit dwellings such as apartment or condominium buildings, dormitories, fraternity or sorority houses, nursing homes, assisted living facilities or other multiple-unit facilities for the specific purpose of campaigning for that office and leaving campaign materials, subject to certain limitations. This bill does not prohibit denying the candidate access to specific residential units, setting reasonable hours of access, limiting the number of volunteers, requiring an appointment, denying access to a nursing home or assisted living facility for valid health reasons or denying access to or expulsion from a multiple-unit dwelling for good cause. This bill allows an alternative to access if the multiple-unit dwelling hosts a candidate forum and all residents receive prior notice of the forum.
