Committee Amendment "A" (H-413)

This amendment is the minority report of the committee and it replaces the bill. It amends the Maine Human Rights Act to prohibit discrimination on the basis of vaccination status in employment, housing, public accommodations, education and credit.

This amendment provides that, although the vaccination status of an individual is not a physical disability, the legal analysis applied to discrimination claims based on the vaccination status of an individual or the vaccination status of an individual's minor child is the same as that applied to physical disability claims.
