127TH LEGISLATURE

FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 127th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. An appendix provides a summary of relevant session statistics.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

private organization contracted with by the department. The department is directed to distribute appropriated funds through a competitive bid process to implement and administer the program, and the contracted private organization must use labor from a youth conservation corps in the summers of 2016 and 2017 to implement erosion control measures and is allowed to disburse to a youth conservation corps no more than \$1 of state funding for every \$2 in matching funds contributed by that youth conservation corps.

LD 1043 An Act To Strengthen the Overboard Discharge Removal Grant Program ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON KUMIEGA	ONTP	

This bill amends the laws regarding the State's contribution to residential overboard discharge replacement projects. Under current law, depending on income level, an individual may apply for a grant for reimbursement of all or a portion of the cost of removing and replacing any overboard discharge, but may be approved for such reimbursement only after project completion. This bill allows the Commissioner of Environmental Protection to approve applications for reimbursement in advance of construction if certain conditions are met and to dedicate the proposed project expenses for reimbursement for a specified period of time. Upon completion of the project and submission of expense documentation, the commissioner is directed to reimburse the individual for the previously applied for and approved eligible project expenses. The bill also provides an appropriation in fiscal years 2015-16 and 2016-17 in the amount of \$200,000 per year to provide grants to reimburse individuals for the cost of removing an overboard discharge under this program.

LD 1044 An Act To Ensure That Collection Facilities Can Participate in the Architectural Paint Stewardship Program PUBLIC 331 EMERGENCY

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO	OTP-AM	S-157

This bill amends the laws governing the stewardship program for architectural paint by amending definitions and enacting requirements for architectural paint collection sites.

Committee Amendment "A" (S-157)

This amendment replaces the bill and amends the laws governing the stewardship program for architectural paint as follows:

1. It amends the definitions of the terms "architectural paint" and "consumer" and adds new definitions for the terms "collection container," "collection site," "conditionally exempt small quantity generator" and "post-consumer paint that is a hazardous waste";
2. It amends the requirements regarding the information to be included in a submitted plan for the establishment of a paint stewardship program;
3. It provides new requirements applicable to participating collection sites under an approved paint stewardship program, including directives on the collection and storage of post-consumer paint, record-keeping by collection sites and acceptance of post-consumer paint that is a hazardous waste;
4. It provides that, except as may otherwise be required by federal law or under an approved paint stewardship program plan, the Department of Environmental Protection may not impose requirements on collection sites that are

2. It amends the requirements regarding the information to be included in a submitted plan for the establishment of a paint stewardship program;
3. It provides new requirements applicable to participating collection sites under an approved paint stewardship program, including directives on the collection and storage of post-consumer paint, record-keeping by collection sites and acceptance of post-consumer paint that is a hazardous waste;
4. It provides that, except as may otherwise be required by federal law or under an approved paint stewardship program plan, the Department of Environmental Protection may not impose requirements on collection sites that are more stringent than the requirements set forth in statute; and
5. It provides that a collection site that uses environmentally sound management practices is not subject to penalties for violation of the department's rules related to post-consumer paint.

Public Law 2015, chapter 331 was enacted as an emergency measure effective July 12, 2015.

LD 1045 An Act To Modify the Laws Regarding the Collection and Recycling of Mercury-added Thermostats

PUBLIC 83

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO MARTIN J	OTP-AM	S-62

This bill amends the laws regarding the collection and recycling of mercury-added thermostats as follows:

1. It adds a definition for the term "contractor";
2. It clarifies that the financial incentive provided for the return of a mercury-added thermostat is to be provided to the contractor or homeowner who removed the thermostat from service;
3. It changes the due date on the annual manufacturer's report to the Department of Environmental Protection from January 30th to April 1st and removes the requirement that the report contain an accounting of administrative costs;
4. It requires contractors to submit annual reports to the department containing information on the contractor and the thermostats removed from service and disposed of during the previous calendar year; and
