<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EVES BREEN	ONTP OTP-AM OTP-AM	

This bill amends the property tax fairness credit for property tax years beginning on or after January 1, 2015 in the following ways.

1. For purposes of calculating the benefit base upon which the credit is based, it increases the amount of property taxes paid or rent constituting property taxes paid that may be used in calculating the credit.
2. It increases the percentage of rent paid that may be considered rent constituting property taxes from 15 percent of the gross rent actually paid to 18 percent of the gross rent actually paid.

Joint Standing Committee on Taxation

3. It changes the calculation of the tax credit to increase it to 100 percent, instead of the current 50 percent, of the amount by which the benefit base exceeds five percent, instead of the current six percent, of the resident's income.

4. It increases the maximum credit for residents 65 years of age or older to \$2,000 from \$900 and for residents under 65 years of age to \$1,500 from \$600.

Committee Amendment "A" (H-232)

This amendment, a minority report of the committee, removes the provisions in the bill that change the calculation of rent constituting property taxes and decrease from six percent to five percent the income threshold for purposes of calculation of the property tax fairness credit. This amendment also removes incorrect references to "property tax year."

Committee Amendment "B" (H-233)

This amendment, a minority report of the committee, changes the bill to a resolve directing the Department of Administrative and Financial Services, Bureau of Revenue Services to submit information and analysis to the Joint Standing Committee on Taxation regarding the discontinued Maine Residents Property Tax Program and the property tax fairness credit and authorizes the committee to submit related legislation to the Second Regular Session of the 127th Legislature.

The bill modifies the program to include households with at least one individual who is 65 years of age or older or who retired from gainful employment due to disability and to surviving spouses who are at least 60 years of age, and provides that household income must be less than \$40,000. ----------------	---	---------------------

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TURNER BURNS	OTP-AM	H-340

This bill avoids double taxation of certain employee contributions to retirement benefit plans made in other states by exempting from Maine income tax the portion of retirement benefits attributable to the taxpayer's contribution to an employee retirement plan or an individual retirement account that was taxed by another jurisdiction.

Committee Amendment "A" (H-340)

This amendment provides that the proposed income tax exemption for certain income from out-of-state pensions applies only to the extent the income is included in federal adjusted gross income and not deducted under the general pension deduction. The amendment also adds a definition of "another jurisdiction."
