**LD 1098 An Act To Protect Children from Exposure to Pesticides**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHIPMAN	ONTP	

This bill is a concept draft pursuant to Joint Rule 208.

The bill proposes to extend laws and rules regarding pesticides in schools and on school grounds to other areas when children are present.

**LD 1099 An Act To Establish a Fund for the Operations and Outreach Activities of the University of Maine Cooperative Extension Animal and Plant Disease and Insect Control Laboratory**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BLACK SAVIELLO	OTP-AM	

This bill creates the Animal and Plant Disease and Insect Control Fund to pay for pest management and pesticide safety outreach and education and for operating costs relating to pesticide management and insect control of the University of Maine Cooperative Extension's animal and plant disease and insect control laboratory. The Animal and Plant Disease and Insect Control Fund is funded by a 20 cent fee on every container of consumer packaged pesticides, with some exceptions.

**Committee Amendment "A" (H-458)**

This amendment, which replaces the bill, includes the provisions in the bill creating the Animal and Plant Disease and Insect Control Fund to pay for pest management and pesticide safety outreach and education and for operating costs relating to pesticide management and insect control of the University of Maine Cooperative Extension's animal and plant disease and insect control laboratory. The Animal and Plant Disease and Insect Control Fund is funded by a 20 cent fee on every container of consumer packaged pesticides, with some exceptions.

In addition, the amendment establishes that the fund may not be used to pay for any administrative costs incurred by the University of Maine or by the University of Maine Cooperative Extension. It also provides that retailers may retain three cent of the 20 cent fee in order to help offset the costs of collection. It establishes that the Board of Pesticides Control must, by rule, establish the universe of products upon which a fee will be imposed and the types of products that are exempted from the fee. It expands the Board of Pesticides Control's responsibilities and provides that a report be submitted biennially to the joint standing committee of the Legislature having jurisdiction over pest management matters, which has authority to report out a bill implementing changes to this program upon receipt of the report.

The amendment also adds an appropriations and allocations section.

**Senate Amendment "A" To Committee Amendment "A" (S-313)**

This amendment decreases the pesticide container fee proposed under Committee Amendment "A" to 10 cents per container and removes the exemption from the fee for packages sold by retail stores of less than 7,000 square feet of space. The amendment repeals the pesticide container fee on May 1, 2017. The Commissioner of Agriculture, Conservation and Forestry is given administrative control over the Animal and Plant Disease and Insect Control Fund after that date and provided the authority to disburse the funds to the University of Maine Cooperative
