FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 127th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. An appendix provides a summary of relevant session statistics.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

<i>CARRIED OVER</i>	<i>carried over to a subsequent session of the Legislature</i>

Joint Standing Committee on Health and Human Services

Committee Amendment "A" (H-428)

This amendment, which is the majority report, changes the bill's title, replaces the defined term "electronic cigarette" with a new defined term, "electronic smoking device" and amends the definition of "smoking" to include use of an electronic smoking device.

Committee Amendment "B" (H-429)

This amendment, which is the minority report, changes the bill's title and replaces the bill. The amendment enacts a definition of "electronic nicotine delivery device" and restricts the use of an electronic nicotine delivery device in hospitals, schools and day cares.

Enacted Law Summary

Public Law 2015, chapter 318 defines a new term, "electronic smoking device," and amends the definition of "smoking" to include use of an electronic smoking device for the purpose of prohibiting the use of an electronic smoking device in public places.

LD 1115 **An Act To Make the State's Standard for Lead Exposure in Children Consistent with the Federal Standard** INDEF PP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VOLK STUCKEY	OTP-AM ONTP	

This bill amends the definition of "lead poisoning," making the State's standard for lead exposure in children consistent with the federal standard.

Committee Amendment "A" (S-270)

This amendment, which is the majority report of the committee, grants the Department of Health and Human Services authority to impose penalties for violations of the Lead Poisoning Control Act and the rules adopted pursuant to that Act. The amendment also adds an appropriations and allocations section.

Public Law 2015, chapter 267 provides funding to hire eight limited-period Environmental Specialist III positions through June 10, 2017 to review inspections, issue orders to abate hazards, track to make sure abatements occur and work with families on interim controls to reduce hazards until the abatement is complete.

LD 1125 **An Act To Expand Public Access to Epinephrine Autoinjectors** PUBLIC 231

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PETERSON HASKELL	OTP-AM	H-250

This bill allows entities, organizations and places of employment at which allergens capable of causing anaphylaxis may be present, other than schools, to stock prescribed epinephrine autoinjectors and administer them to persons believed in good faith to be experiencing anaphylaxis and provides that those entities, organizations and places of employment may not be held liable for any injuries or related damages that may result. It requires training for employees or agents of such entities, organizations or places of employment. It also provides for the establishment of emergency public access stations to contain stocks of epinephrine autoinjectors, allows health care practitioners to stock them with epinephrine autoinjectors and to provide individuals accessing the stations with consultation services in real time by audio, video or other similar means of electronic communication and provides that persons

involved with the stations and acting in good faith may not be held liable for any injuries or related damages that may result.

Committee Amendment "A" (H-250)

This amendment makes the following changes to the bill.

1. It eliminates the provisions of the bill relating to emergency public access stations for the storage of epinephrine autoinjectors.
2. It eliminates the provision of the bill that requires an authorized entity that possesses and makes available epinephrine autoinjectors to submit to the Department of Health and Human Services a report of each incident on the authorized entity's premises that involves the administration of an epinephrine autoinjector.
3. It revises the immunity provision of the bill to make it consistent with the actions that are authorized under the bill and to make it clear that the immunity does not apply if injuries or related damages are caused willfully, wantonly or recklessly or by gross negligence.

Enacted Law Summary

Public Law 2015, chapter 231 allows entities, organizations and places of employment at which allergens capable of causing anaphylaxis may be present, other than schools, to stock prescribed epinephrine autoinjectors and administer them to persons believed in good faith to be experiencing anaphylaxis and provides that those entities, organizations and places of employment may not be held liable for any injuries or related damages that may result. It requires training for employees or agents of such entities, organizations or places of employment.

LD 1129 Resolve, To Change the Requirements for Nursing Services in Home Health Care

RESOLVE 33

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LIBBY ESPLING	OTP-AM	S-158

The resolve directs the Department of Health and Human Services to increase the rates in Section 40 of the MaineCare Benefits Manual, Home Health Services by 30 percent.

Committee Amendment "A" (S-158)

The amendment strikes and replaces the resolve. It requires the Department of Health and Human Services to amend the rules governing the licensing and functioning of home health care services to allow nursing services to be provided by new graduates who have successfully completed a home health care orientation program approved by the department prior to commencing independent home health care nursing practice. Current rules require at least one year of professional nursing experience. The agency employing the nursing graduate would be required to provide the orientation.

Enacted Law Summary

Resolve 2015, chapter 33 requires the Department of Health and Human Services to amend the rules governing the licensing and functioning of home health care services to allow nursing services to be provided by new graduates who have successfully completed a home health care orientation program approved by the department prior to commencing independent home health care nursing practice. The agency employing the nursing graduate would be required to provide the orientation.
