**LD 1193 An Act To Encourage Good Nutrition and Healthy Choices in the Supplemental Nutrition Assistance Program**

**Died In Concurrence**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON GATTINE	OTP-AM ONTP	

This bill creates the Healthy Local Foods Initiative Program to engage in efforts to seek out and support, sustain or assist eligible applicants in submitting proposals for federal grants or funding for pilot projects to improve the diets of low-income persons enrolled in a statewide food supplement program administered as part of the federal supplemental nutrition assistance program. The bill directs the Department of Health and Human Services to create a working group of various interested parties to make recommendations concerning best practices and criteria for evaluation of proposals for federal grants or funding to conduct pilot projects designed to provide incentives to participants of the federal supplemental nutrition assistance program to improve their diets, reduce obesity and support farmers and businesses in the State. The bill directs the department to provide the matching funds required of a chosen applicant in order to receive a federal grant to the extent funds are available in the Healthy Local Foods Incentive Fund. Contributions to the fund are derived from a portion of bonus payments received from the United States Department of Agriculture for the performance of the Department of Health and Human Services in administering the statewide food supplement program under the federal supplemental nutrition assistance program, from the State's portion of funds recouped from the collection of overpayment claims from program recipients and from other sources. Contributions to the fund may also be received from hospital organizations fulfilling United States Internal Revenue Service requirements to meet community health needs.

**Committee Amendment "A" (S-230)**

This amendment, which is the majority report of the committee, removes the funding sources for the bill's Healthy Local Foods Incentive Fund that come from bonus payments for the Department of Health and Human Services for the department's administration of the federal Supplemental Nutrition Assistance Program and from the collection of the program's overpayment claims.

GATTINE HASKELL		

This bill establishes a peer support services program in the office of substance abuse and mental health services within the Department of Health and Human Services. The bill requires the department to adopt necessary rules and designates the rules as routine technical rules. The bill requires the costs of intentional peer support services and the advisory committee to be met through the transfer of funding from the Mental Health - Community account and the Mental Health - Community Medicaid account and through the discontinuance of two full-time positions within the office of substance abuse and mental health services.
