Finally, the amendment makes enactment of this bill contingent upon the approval of the voters of the State at a statewide referendum held in November 2016.

This bill was reported out of committee, then committed back to the Joint Standing Committee on Veterans and Legal Affairs and carried over to any special or regular session of the 127th Legislature by joint order, H.P. 994 as amended by H-504.

LD 1283 **An Act To Stimulate Economic Development and Create Jobs by** **ONTP**
Amending the Laws Governing Gaming

This bill establishes five regions in the State for the operation of casinos. Region 1 includes York County and the Town of Scarborough in Cumberland County. Region 2 includes Androscoggin, Franklin, Kennebec, Oxford and Cumberland counties, with the exception of the Town of Scarborough in Cumberland County. Region 3 includes Penobscot, Somerset, Waldo, Lincoln, Sagadahoc and Knox counties. Region 4 includes Washington and Hancock counties. Region 5 includes Aroostook and Piscataquis counties. If a region does not have a casino or if an existing casino ceases operation, the Department of Administrative and Financial Services is required to administer a competitive bid process for the privilege to operate a casino, subject to application to and investigation by the Gambling Control Board.

Bids in Region 1 are granted preference if the bidder is associated with the operator of an existing commercial harness racing track in that region. Bids in Regions 4 and 5 are given preference if the operator is associated with a federally recognized Indian tribe eligible to conduct high-stakes beano in that region. The bill provides for a staggered schedule for the authorization of casinos in regions where casinos are not currently operated. The bill provides for minimum bids and requirements for a minimum number of slot machines, table games and other amenities at a facility in each region. Each bidder is also required to submit a nonrefundable privilege fee intended to mitigate the costs of administering the competitive bid process by the Department of Administrative and Financial Services and meet the costs of background checks and investigations conducted by the Gambling Control Board. The bill establishes distribution of table game and slot machine revenue for casinos and specifies that the revenue must be used for the purposes specifically described unless otherwise authorized. This distribution will apply to all casinos and slot machine facilities operated in the State as soon as a casino in Region 1 is authorized via the competitive bid process. If an alternative purpose is authorized for the table game or slot machine revenue, all distributions must be reduced in equal proportion.
