This bill prohibits a public employer from compensating an employee covered under public sector collective bargaining laws for participating in an activity involving the employee's collective bargaining agent, except through regularly accrued vacation or compensatory time.

Committee Amendment "A" (H-346)

This amendment, which is the minority report of the committee, replaces the bill with a resolve that establishes the Study Commission on State Union Leave to study the impact of the practice of state-compensated leave for an employee to participate in activities related to the employee's collective bargaining agent, both in terms of overall financial cost to the State and in terms of lost employee time, and to also study the benefits of such leave to the State. The study commission must report back on its findings and recommendations by December 2, 2015, and the Joint Standing Committee on Labor, Commerce, Research and Economic Development may report out a bill related to the report.
