CUSHING LOCKMAN	ONTP OTP-AM	

This bill makes the following changes to the laws governing Pine Tree Development Zones.

1. Current law authorizes Pine Tree Development Zone businesses whose primary purpose is to support the State's working waterfront to apply for adjustments based on a catastrophic occurrence. This bill eliminates the restriction that the business be within the working waterfront industry, and allows such affected businesses to apply for an extension of their certification period of up to two years. This bill authorizes the Department of Economic and Community Development, after consultation with the Governor, to grant extensions of certification.

***Joint Standing Committee on Labor, Commerce, Research and Economic Development***

2. Current law defines a qualified Pine Tree Development Zone employee as an employee for whom group health insurance is provided. This bill eliminates the requirement that group health insurance be provided.
3. Current law defines a qualified Pine Tree Development Zone employee as one whose income is greater than the most recent annual per capita personal income in the county in which the qualified employee is employed. Under this bill, the income of a qualified employee is greater than the average weekly wage for the most recent calendar year as derived from the Quarterly Census of Employment and Wages. The calculation of the average weekly wage must include data from the counties of Androscoggin, Aroostook, Franklin, Hancock, Kennebec, Knox, Lincoln, Oxford, Penobscot, Piscataquis, Sagadahoc, Somerset, Waldo and Washington.
4. It amends the laws governing employment tax increment financing reimbursement to reflect the revised definition of "qualified employee" under the Pine Tree Development Zone laws.

**Committee Amendment "A" (S-198)**

This amendment is the minority report of the committee. The amendment incorporates a fiscal note.
