127TH LEGISLATURE

FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 127th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. An appendix provides a summary of relevant session statistics.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

Joint Standing Committee on Labor, Commerce, Research and Economic Development

be employed only in the planting, cultivating or harvesting of field crops, or other agricultural employment that does not place them in direct contact with hazardous machinery or hazardous substances.

2. It conforms to federal law the hours that minors who are 16 and 17 years of age may work, by extending the permissible time until which such a minor may work on a day preceding a school day from 10:15 pm to 11:00 pm.
3. It eliminates the prohibition on minors who are 16 and 17 years of age from working more than 10 hours in any day when the minor's school is not in session.
4. It eliminates the prohibition on minors under 16 years of age working more than 6 consecutive days.
5. It eliminates the prohibition on minors under 18 years of age working more than 50 hours per week when school is not in session.
6. It specifies that the restrictions on the hours of employment of minors does not apply to:
 - A. Agricultural employment that does not require direct contact with hazardous machinery or hazardous substances;
 - B. Employment or training as a theatrical actor or a film actor;
 - C. The taking or catching of lobsters, fish or other marine organisms, as long as the work does not require direct contact with hazardous machinery or hazardous substances; and
 - D. At a business that is solely owned by the minor's parent, as long as the work does not require direct contact with hazardous machinery or hazardous substances.
7. It specifies that superintendents of school administrative units issue work permits to minors and copy the Department of Labor, Bureau of Labor Standards; the bureau develops the blank permits, furnishes them to the superintendents and serves as a resource for superintendents regarding federal and state law.
8. It maintains the authority of the bureau to revoke work permits if state or federal law has been violated.
9. It repeals obsolete language dealing with triplicate permits and a master permit system.

Committee Amendment "A" (H-437)

This amendment, which is the minority report of the committee, strikes language in the bill giving the superintendent of a school administrative unit the authority to issue work permits to minors and instead retains the current law, which provides the issuing authority to the Department of Labor, Bureau of Labor Standards, subject to prior certification and approval from the superintendent of a school administrative unit.

LD 1405 *An Act To Amend the Licensing Laws of the Maine Fuel Board* PUBLIC 169

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CUSHING	OTP-AM	S-229

This bill amends the provisions of law regarding the Maine Fuel Board by:

1. Clarifying that there is a separate license and scope of practice for a master oil burner technician, master solid fuel technician, journeyman oil burner technician, journeyman solid fuel technician, apprentice oil burner technician and apprentice solid fuel technician;
2. Specifying that the installation, cleaning, repairing and servicing of pellet-fired central heating appliances is included within the scope of practice of oil burner technicians if that person holds a pellet-fired central heating appliances authority;
3. Removing the authority of the Maine Fuel Board to authorize pilot projects relating to emerging fuel fired heating technology; and
4. Upgrading the technical training required to obtain a propane and natural gas technician license.

Committee Amendment "A" (S-229)

This amendment strikes those sections of the bill that increase training requirements for propane and natural gas technician licenses.
