**LD 1422      An Act To Allow Maine Residents To Personally Import Medications as Permitted under the Federal Food, Drug, and Cosmetic Act      Died Between Houses**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARTIN J	ONTP OTP	

Under the Federal Food, Drug, and Cosmetic Act, the importation of unapproved new prescription drugs, including foreign-made versions of prescription drugs that have been approved by the federal Food and Drug Administration, is prohibited. However, the Food and Drug Administration has developed guidance that allows the personal importation of certain drugs.

This bill, using the guidance developed by the Food and Drug Administration, enacts the Maine Pharmaceutical Drug Safety Act to allow an individual in Maine to import prescription drugs from Canada or certain member countries of the European Union for use by that individual or a member of that individual's immediate family. The country from which the prescription drug is to be imported must meet specific criteria regarding regulation of its pharmacies and pharmacists, as determined by the United States Secretary of State. The prescription drug to be imported must also meet specific requirements. The importation of controlled substances and prescription drugs for sale or resale is specifically prohibited.

**LD 1423      An Act To Expand Access to Workforce Development at Brunswick Landing      Died On Adjournment**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GERZOFSKY HERBIG	ONTP OTP-AM	S-225

This bill provides ongoing General Fund appropriations of \$1,300,000 per year beginning in fiscal year 2015-16 to the Governor's Jobs Initiative Program to increase economic development and provide support for operations and key educational programs at the Maine Advanced Technology and Engineering Center at Brunswick Landing.

**Committee Amendment "A" (S-225)**

This amendment, which is the minority report of the committee, changes the bill by providing ongoing General Fund appropriations of \$1,300,000 per year, beginning in fiscal year 2015-16, directly to Southern Maine Community College to fund operations at its new Midcoast Campus at Brunswick Landing instead of directing the funding through the Governor's Jobs Initiative Program. The amendment also clarifies that funding will support public-private partnerships for academic programming and ensure student success through support services for workforce development.

This amended version of the bill was partially incorporated into the Biennial Budget, Public Law 2015, chapter 267, Part A, section A-11. Funding is reduced to one-time funding of \$410,982 in Fiscal Year 2015-16.
