LD 1524 An Act To Update the Laws Governing the Maine Veterans' Homes **PUBLIC 397**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KATZ R	OTP OTP-AM	

This bill updates the laws governing the Maine Veterans' Homes and repeals outdated provisions. It removes references to specific veterans' home locations. It increases the borrowing authority of the Maine Veterans' Homes from \$15,000,000 to \$50,000,000. It repeals a requirement that the Maine Veterans' Homes develop and implement a geriatric training program. It changes the title of the position of the person who administers the homes from administrator to chief executive officer. It repeals a requirement relating to payment of costs by veterans admitted to the homes. It repeals a requirement that excess funds be transferred to the General Fund. It repeals a provision relating to the use of stipend funds. It makes changes to an annual reporting requirement. It also makes technical changes to provide consistent reference to the Maine Veterans' Homes.

Committee Amendment "A" (S-368)

This amendment, which is the minority report, maintains existing law that prescribes the number of beds at various Maine Veterans' Homes locations but strikes the provisions that establish the number of beds that certain facilities may not exceed. The amendment maintains the requirement that some facilities have a specific number of beds dedicated to dementia patients. The bill proposes to remove any specific requirements for the number of beds at any facility and for the location of the facilities, which have already been constructed.

This amendment was not adopted.
